1	Several students wrote that the library is a special place to learn and explore new concepts.	Nov 18, 2011 3:58 PM
2	Love the Twilight display	Nov 18, 2011 2:47 PM
3	I must comment you! This certainly is a beautiful library with so many resources. Thank you for having such great books. The Edison Book Club is real "cool". I love coming to meetings and discussing books. I am learning how to think from many perspectives. There's no place like the Edison library. I can escape reality when I read and use my imagination for a change.	Nov 18, 2011 1:06 PM
4	I like this book. I like the book fair. I love to read.	Nov 18, 2011 10:22 AM
5	Where are the new books? Do you need me to stay and help you with the books? Can you hold this book until tomorrow?	Nov 16, 2011 11:04 AM
6	Very positive feedback on students after using databases.	Nov 15, 2011 12:11 PM
7	You are the best librarian ever! I'm glad it's Friday, but I'm sad too because we won't get to come see you for two days. Wow! When did we get these new books?	Nov 14, 2011 9:42 AM
8	"This is a great puppet show!" "I need to return my book and get a new one." "I want a Halloween book."	Nov 13, 2011 11:26 PM
9	How do we find games on the district databases?	Nov 11, 2011 4:40 PM
10	I love to read. This was a great book. PebbleGo is awesome.	Nov 11, 2011 4:24 PM
11	This is a great library! Not only do we have amazing resources, but staff that are willing to help with whatever you need. They are also always learning new ways to integrate literacy and technology. This lesson was very helpful to me; and the librarian was nice and patient. Now I have a better idea about how to write a bibliography. Thank you so much for all your support, hard work, and willingness to help me find things. You both are the best!	Nov 11, 2011 4:17 PM
12	I like NoodleBib--it makes you think! I read a Read It Forward book! You know what, for some reason, I don't want to read right now; I can't find anything that interests me. What do I do?	Nov 11, 2011 3:32 PM
13	Ooh, can you read us another story? When can we come back to the library? I'm glad you have so many June B. Jones books to check out. Thank you Ms. Davis.	Nov 11, 2011 3:32 PM
14	Very helpful staff! Always available to explore resources for students. Libraries are still good to use. The Round Rock Library staff is awesome! Anthony and Alan should get pay raises! Thanks for everything! I was a little apprehensive about not having a "full" library, but you have everything I need. Staff is always very helpful. Nice, quiet place to study. Great library – great staff. I frequently use the library databases for nursing research. Staff have always been very helpful! It is very nice and the staff are courteous and helpful. Use Microsoft programs and printing. Well equipped. Very clean. Staff is very helpful. I love coming to this library (at Round Rock) because I actually attend Texas State University in San Marcos and I can come here (to Round Rock) since I live	Nov 11, 2011 3:31 PM

around here. I really like how helpful the library is and how comfortable it is for studying. Awesome! We love Julie! She's great! This library has always been very helpful to me. I have used it this semester around 5 times and I always get the help I need as well as the resources when doing my school work. Always helpful whenever I have a question, no matter how dumb it may be. Staff are friendly and helpful. Library looks clean and organized. Very pleasant and helpful staff! Happy Halloween. Document retrieval services are awesome! They are efficient and make my research much easier. I'm very pleased with this library. It is quiet, and everyone is extremely helpful. Please built more individual study rooms for student use only. Thanks and open on the weekend or Saturday only. This library has a wide range of seating options, that make it easier to do long study sessions at the library. The library staff is very helpful with research questions and often into further detail when assisting with computer software which is very helpful as well. The library staff themselves are good resources for information. Great staff. Very nice when you ask for help. Very knowledgeable.

"I actually came today to work on a paper for my Public Library class. This paper described this library and all the services and information available here. I have been amazed at how much is offered that I wasn't really aware of. This library has amazing services that really help to educate and support the community. I especially love the online resources. Thanks for everything!" "Reading is a huge part of my family's life. We could never afford to buy all the books we get to read from the library. The library is one of our favorite places to visit." "The library has been a great resource for me with parenting books, research books, cookbooks, and great fiction. The library has always been very important in my life, and I love it that it's become important in my son's life, too!"	Nov 4, 2011 9:33 AM
53	The library is quiet and a good working environment. The library helps you find what you need and gives you leisure time as well. What I like about the library is the access to computers, college and career books and other books. Good place to study and great variety of books. The library is awesome. There are so many books that look very interesting and I hope to read a lot of them.	Nov 4, 2011 8:16 AM
54	I love this library. I've been here all my life! Books can calm people down from a hard day at work or school. That's the fun of books! I love this library because it's a nice pleasant place. 63	I really like my school library because it provides you with a lot of cool, scary, funny romantic books and it's nice, neat, clean. To do your jobs if you need to make up something. And it's a quiet place to study. I love the library because it holds so many books. Books reflect the Author's views on life and their personality. It helps communicate between readers and authors. The library is fun 'cause we get to check out cool books, and on the morning she lets us to get on the computer, only one person can be on a computer. Another thing is fun is that she lets us play board games like chess and checkers. It is great to have the library available to train parents in the use of Parent Portal. Thank you!	Nov 1, 2011 12:55 PM
64	Wow! I always love looking at all the creative pumpkins.	Nov 1, 2011 11:24 AM
65	1) Wow! I can't believe I won the library's fall promotional gift basket! 2) Thanks for helping me to use Excel (student who needed to include a chart in his assignment). 3) If I didn't have a color printer to use in the library, I wouldn't have one to use at all (student completing a school assignment).	Nov 1, 2011 10:55 AM
66	We had 24 wonderful comments: 1. Our library keeps up with the latest technology while still keeping a love for books in the children's eyes. They are always offering the latest materials to help keep up with our TEKS instruction. They cater to the children, teachers and parents alike and offer wonderful lessons that are grade appropriate. They also have wonderful reading incentive programs and rewards participation by inviting students to fun themed parties throughout the year. 2. Live Oak library consistently offers instructional support and materials for our teachers. They are available every day for ALL students	Nov 1, 2011 10:46 AM

83	We had Bruce Coville visit our 3rd, 4th, and 5th graders on October 4. I had 3 teachers tell me it was the best author visit they had ever seen. The students were entertained and engaged in his discussion about being an author. I overheard many students say he was awesome.	Oct 31, 2011 11:56 AM
84	Needing help with the OPAC.	Oct 31, 2011 11:17 AM
85	We are glad you have family night so that our kids can have extra books to read at home. I love coming to the library because we do so many different things. I love the way you act out stories.	Oct 31, 2011 11:08 AM
86	Who wrote The Hunger Games? Where can I find love poetry.	Oct 31, 2011 10:51 AM
87	Wonderful Staff! Very good materials, up-to-date. One of the biggest assets in town. I think it is quite impressive. It's been useful to me for many years, and I'm now bringing my pre-school grandson to the excellent storytime program here. The women here at the library are so wonderful and nice. Their always there to help me.	Oct 31, 2011 10:03 AM
88	I love the pictures in Hugo Cabret especially the picture of the boy's eye. Scout (our kids catalog) is easier than the regular catalog. This is fun! Can I have a turn? I did what you told me and made a plan for my reading. I've already read 3 chapters! I like the videos on Britannica Online.	Oct 31, 2011 8:32 AM
89	Lots of excitement over our Bilingual Pre-K students checking out books for the first time to anyone's recollection. This is my first year as a librarian and the Bilingual Pre-K teacher's first year as well. We were both over the moon about the possibility of the kiddos checking out books. Woohoo!! This week I met the author Kate DiCamillo at an area book store. I talked a lot with the students about meeting her and her books. They have been flying off the shelves. The same is true for The Invention of Hugo Cabret--- I have been encouraging students to read this one before the movie is released next month. It's been hard to keep this one on the shelf too. My greatest pleasure comes from motivating	Oct 30, 2011 7:10 PM
